ROUNABOUT CONSTRUCTION TO BEGIN MAY 16, 2011
Detour in Effect

Blacksburg, Virginia, May 9, 2011 – On May 16, 2011, phase four of the North Main Street Improvement Project will begin with the construction of a roundabout at the intersection of Prices Fork Road and Main Street and. Prices Fork Road will be closed from the 200 block (Tech Village entrance) to the intersection with North Main Street until August 17, 2011.

As a result of the construction, a detour will be in effect to allow access to Prices Fork Road from Main Street and vice versa. Prices Fork Road can be accessed from North Main Street via Kabrich Street to Webb Street. Main Street can be accessed from Prices Fork Road via Webb Street to Kabrich Street and via Turner Street. North Main Street will remain open at all times. A temporary traffic signal has been constructed at the intersection of North Main and Kabrich Streets as part of the detour.

Businesses in Tech Village will be accessible by the entrance at Orchard Street and access to other businesses and residents in that area will not be affected. View a [video](#) of the detour.
